ACTIVITIES FOR ALL

Treasured Memories

There is never a dull moment during an Elysium cruise.

Guests can choose among an array of offered activities to be as active or as relaxed as they wish.

The Elysium Cruise Director is there to help guests put together their own perfectly balanced plan.

While one guest may choose a rigorous hike, another might prefer a massage in the indulging spa. One may join an interesting cultural tour, while another might prefer to stay onboard for a wellness session. Start your day actively, kayaking or water skiing and end it relaxing with a cocktail at the Thalassa Deck. Or simply unwind in the hot tub, take a dip in the ocean, snorkel, stargaze, read a book.

The choice is yours, but whatever you decide, rest assured you will be embarking on one of the most enriching experiences of your life.

AUTHENTIC EXPERIENCES

Precious & Pristine

Hidden gems, hand-picked destinations and immersive cultural experiences await. Visit iconic islands ike Mykonos, Santorini, Milos and Sifnos but also hidden gems, never visited by large cruise ships like the breathtaking island of Kimolos. These are some of the unique adventures you can expect during your Eysium cruise.
